

THE AWARDS FOR RUNNERS, WITH ALL FREE NOMINATIONS AND FREE VOTES BY RUNNERS

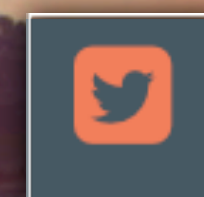

The Running Awards celebrates the best of running and its culture from running shoes and marathons to the most innovative apps and gadgets. They are free to enter and free for voters, so they really reflect the views of the real Running community.

Many of the shortlistees have already got behind the Awards and asked their own loyal followers to vote for them, generating over 25,000 unique visitors with more joining in every day.

You can link your followers directly to the voting page via a Gif on Twitter or Facebook.

There will be a final chance, for anyone who hasn't already voted, on the Running Awards Stand at the Virgin Money London Marathon Expo attended by over 70,000 runners before, voting closes at 6.00 pm on 10th April.
